??????

This is the system to enhance penetration on **COLARIS**inkjet and **CHROMOJET** process color prints.

The fabric, carpet, or any other pile product is running through 2 driven rollers with an adjustable gap. Special cleaning devices avoid ghost printing and smearing.

- Full penetration with minimum wet pickup
- No frosting
- Even coloration
- Saves steaming and drying energy

??

In combination with any low pick-up printing method like **CHROMOJET**and **COLARIS**process color printing

- Polyester pile products
- Polar, Coral and Mink Blankets
- Terry products
