

Meet us at Domotex Turkey 2022

Domotex Turkey 2022 is the venture where carpet manufacturers from Turkey, Middle East, Central and Southeast Asia will present their latest products to the carpet world. The exhibition will be open for visitors between May, 14th and 17th at Gaziantep, Turkey.

ZIMMER AUSTRIA Digital Printing Systems, the world leading process developer and manufacturer for digital carpet printing and processing machinery Made in Austria will be available for personal discussions during this event.

Please contact Mr. Thomas Kloeb, our Sales Director for Digital Carpet Printing, in advance or during the event for an appointment. He will be present at site, together with our Sales Manager Mr. Mario Calis and with our domestic support for Turkey, Iran and Uzbekistan. Our team will be pleased to meet you for discussions about any potential digital printing project or coating project you may have.
